Good Morning Norma...

Several months ago we arranged for street light pole banner permits for the Melrose BID on a full year, multi year basis. It was the right thing to do: the business improvement districts are under contract with the City to, among other things, brand, promote, and revitalize the area. Pole banners are an essential element of that work.

I am also the Executive Director for the Westchester Town Center BID. I just received the forwarded email, which seems to indicate we are having the same difficulty with their pole banner permits. We have CD11 support for our request; I've copied Anna Kozma from that office. May we request your assistance in getting the needed permits issued?

Please let me know how I can help. Thank you.

Here is the BSL's response to this motion

Will not give us the one year permit but we can get the 4 for 90 days each this is where we lose control of the poles

Hi George,

The motion does not allow you to submit the application as a "City banner" permit type. This is reserved only for permits organized and administered by the City of Los Angeles or by any of its operating departments, boards, commissions or bureaus because they don't need to pay the permit fees.

BID's are not exempt from paying the permit fees. You can still reserve for one year for this BID banners by submitting 4 permit applications of 90 days each.

Regards,

Mario,

Please review attached motion for the Westchester year round banner approval

Do we need anything else to get year round approval ?

Hi!

Just following up on this one regarding images for banners.

Thanks

Thank you, it is drafted. They are in recess right now, will let you know when we can get it in.

Is there an image or markup you all normally share for the banner design as well?

Thanks!

So this would be January 1, 2016 to January 1, 2017, correct?

Thanks!

Hi Don and George,

Sorry about this delay. We are working on this item now. What are the exact dates we would like on a motion submitted in 2016? The dates on this prior motions both begin in June.

Please let me know.

Thanks so much.

Best,
Anna

Attached are the 2 Motions that were previously adopted for the Westchester Town Center BID.

I beleive that either of the following Bureau of Street Lighting management could answer any questions you might have:
Fabian Cheng at [213-847-1459](tel:213-847-1459) or Norma Isahakian (Ass't Director) at [213-847-2090](tel:213-847-2090)
